SAMMANFATTNING

University student who graduated this year, hoping to start my new career as soon as possible to learn and grow, and hopefully become skilled and god enough to assist and support new individuals in the profession in the future. Enjoying life and is not afraid of making mistakes. Find harmony in learning and teaching and want every day to bring a better version of myself.

ERFARENHET

MASKINOPERATÖR, pågående
Estrella, Göteborg, Sverige
- Ensured that the machines operated as usual and resolved any issues that arose, such as alarms. Forklift driving was involved as I transported spices, raw materials, and flex bags.

VEHICLE ASSEMBLER
Volvo Cars, Torslanda, Sverige
- Assembled the gearbox and the engine.

DELIVERY DRIVER
Postnord AB, Göteborg, Sverige
- Delivered packages and loaded goods in the car.

WAREHOUSE WORKER
DHL , Göteborg, Sverige
- Handles and sorts packages in different cages.
